SUMMER UPDATE - 2020-2021 SCHOOL YEAR CALENDARS

Dear parents and guardians,

I hope you are enjoying the summer with your family.

I am happy to communicate to you the 2020-2021 school year calendar, approved by the Ministry of Education:

- [Elementary school year calendar](#)
- [Secondary school year calendar](#)

Return to school will take place on Thursday September 3rd. These calendars will be identical, regardless of the scenario chosen by the Ministry of Education for the return to class.

Rest assured that we will send you updates on the next school year and on the scenario chosen by the government as soon as they are available.

In addition, the school transportation consortia will send in the coming weeks the information necessary for the transport of your children.

I also invite you to take note of the latest updates announced by the provincial government:

- emergency decrees have been extended until July 29, 2020 ([official press release](#))
- the third phase of deconfinement within the province has been underway since July 17, 2020 ([official press release](#)).

Childcare centers reopening

We are pleased to confirm the reopening of our childcare services since July 22, 2020. Preventive measures recommended by government and public health authorities have been implemented in all educational centers of CEPEO and its partners.

Preventive measures

We would also like to take this opportunity to remind you of the importance of the preventive measures recommended by government and public health authorities and thank you for discussing them with your family.

I wish that you continue to enjoy our beautiful region throughout the summer. “Mother Earth” still has beautiful warm days in store for us!

Ann Mahoney
Acting Director of Education
