IMPORTANT UPDATE | SELF-ASSESSMENT FORMS FOR STUDENTS IN PRESENTIAL MODE

Dear parents and guardians,

I hope you are doing well and that your child is enjoying the new school year so far. All our teams remain mobilized so that your child can benefit from a welcoming and benevolent school environment.

Self-assessment form

If your child is attending school face-to-face, it is important to complete the COVID-19 Symptom Self-Assessment Form for each of your children before they arrive at school. Your collaboration is essential to ensure the safety of everyone.

Self-assessment forms are available on the [CEPEO website](#) and on your child's school website.

REMINDER - Protocol for suspected or confirmed cases of COVID-19

We encourage you, if you have not already done so, to read the provincial government guidelines for the management of COVID-19 cases in schools ([Follow the link](#)).

Rest assured that the well-being and safety of students and staff remains our priority. All our schools strictly follow the instructions of government and public health authorities. You can find more information about our protocols on our [website](#).

We remind you of the importance of keeping your child at home if he or she is sick. Keeping your child home if he or she is sick is an important way to reduce the spread of COVID-19. Your cooperation in this matter is essential.

We also remind you to regularly review the [information sheet](#), designed for parents, on what to do if you are ill or have symptoms of COVID-19.

In closing, I would like to remind you of the importance of taking care of yourself and your loved ones. We know that the current environment is not always easy, despite everyone's best intentions. With the arrival of fall just a few days away, I encourage you to take some quality time with your family, whether it's going apple picking, walking in nature or just doing something you like.

Thank you for your usual cooperation.
