IMPORTANT UPDATE | PRECISION ON SNOW DAYS

Dear parents and guardians,

I hope you and your loved ones are doing well.

Snow days

On snow days resulting in the cancellation of school transportation, schools will remain open and staff will be on hand to welcome students, as in previous years. Students will stay with their class or cohort. Virtual Student Learning Program (PAVÉ) classes will also continue, as usual.

Public health authority resources

Public health resources, also available on the [CEPEO website](#), are regularly updated. We encourage you to consult them.

REMINDER - Self-assessment

We remind you of the importance of completing the symptom self-assessment for each of your children each morning before they go to school. This is available on the [CEPEO website](#). This is a key step in reducing the risk of the spread of COVID-19 in your child's school.

REMINDER - Professional development (PD) day November 20

Finally, we remind you that Friday, November 20 is a PD day for all students (no-classes), including those registered with the PAVÉ.

I thank you for your cooperation and wish you and your family a happy and safe weekend.

Sylvie C. R. Tremblay
Director of Education
