IMPORTANT UPDATE: PUBLIC HEALTH MEASURES AND P.A.V.É. INFORMATION NIGHT

Dear parents and guardians,

I hope you are well. As the second week of virtual learning comes to an end, we thank you for your support. We are aware that this is a situation that requires your family to adapt. Rest assured that our staff will continue to show kindness and understanding towards your child so that he / she can benefit from a caring learning environment conducive to their success.

Public health resources

The arrival of good weather and advances in immunization are certainly sources of hope and optimism. However, it remains important to continue to respect health and safety instructions. Public health units remind you to always **bring a mask and to have one for each of your children if you are going out of the house for essential reasons**. Wearing a mask helps reduce the spread of COVID-19. Residents are advised to wear a mask when it is not possible to maintain the physical distance of 2 meters indoors or outdoors.

We also remind you that regional public health resources are updated regularly and that you can consult them [on our website](#).

CEPEO Schools Virtual Learning Program (P.A.V.É.)

The Virtual Learning Program will be back for the next school year. Like this year, you will be able to choose in-person or virtual learning for your child.

Two information sessions on P.A.V.É. will take place tonight, Thursday April 29. These will be broadcast on the CEPEO YouTube channel.

Members of the PAVÉ administration and their teams, will present general information about the program. The presentations will be followed by a question and answer period.

WHEN: Thursday, April 29, 2021, 6:30 p.m. (elementary K-8)
Thursday April 29, 2021, 7:30 p.m. (Secondary 9-12)

WHERE: Elementary: [CEPEO YouTube channel](#)
Secondary: [CEPEO YouTube channel](#)

We thank you for your cooperation and wish you a safe and wonderful weekend.

Sylvie C. R. Tremblay
Director of Education
