## **IMPORTANT UPDATE | Masks and international travel**

Dear parents and guardians,

I hope you and your loved ones are doing well.

As you know, the provincial government has removed the requirement to wear a mask in most public places, including schools. However, we would like to remind you that the School Council, as well as public health units in our territory, continue to strongly recommend wearing a mask indoors. It is a simple and effective measure to control COVID-19.

### **International Travel**

The federal government has changed its rules regarding returns from international travel. You can read them through this [link](#).

I thank you for your cooperation and wish you a safe and healthy weekend.
