IMPORTANT UPDATE | SCHOOL CLOSURES ON MAY 27 AND STORM IMPACT

OFFICIAL COMMUNICATION

Dear Parents and Guardians,

We hope you are doing well. The situation in the areas affected by the May 21 storm continues to improve. However, some schools will remain closed tomorrow, Friday May 27, as they are still without power. Please note that this should be the last communication on this topic sent to all parents and guardians of the Board. As of tomorrow, only parents of schools affected by disruptions will be contacted.

Schools closed (including daycare) on Friday May 27, 2022 :

- Charlotte-Lemieux
- Marie-Curie
- Omer-Deslauriers

All other schools and their daycare services will be open as usual.

REMINDER - Instruction

Closed schools will not offer virtual teaching in synchronous mode. However, enrichment assignments will be placed in Google Classroom for students who have access to them to continue their learning in an asynchronous mode.

Students who are unable to attend school due to the effects of the storm will not be declared absent. Please follow the normal procedure for reporting absences.

REMINDER - PAVÉ

For all elementary and secondary PAVÉ students, instruction will be provided in a synchronous manner subject to sufficient staffing. Students will be contacted by the school team if instruction is to be delivered asynchronously.

REMINDER - School Transportation

For those schools that remain open, transportation may be limited. Please follow the usual channels of communication to monitor the status of school and public transportation:
