**Re: CUPE Tentative Agreement - Schools open as usual on November 21**

Ottawa, November 20, 2022

Dear Parents and Guardians,

A tentative agreement has been reached between the Ontario government and the Canadian Union of Public Employees (CUPE).

As a result, our schools and child care centers will be open as usual on Monday, November 21.

If you have requested a technology tool for your child, please return it to the school tomorrow.

School transportation is also running as usual.

Preschool (Infant, Toddler and Preschool) and Before and After School Care are also operating as usual.

I thank you for your trust and wish you a wonderful week.

Sylvie C.R. Tremblay  
Director of Education
